Litigation Copying Grade Descriptions

Grade A: Originals that can be auto-fed, without staples, paper clips, or dividers.

Grade B: Originals that are predominately large auto-feedable sections (50+ pages) of clipped, bound, or stapled originals.

Grade C: Originals that have staples, clips, or tags requiring extra handling or continuous feed forms.

Grade D: Originals that require extensive handling due to large number of staples, clips, or odd size sheets. Rebind, clip, or staple originals and copies.

Grade E: Originals that can be manually placed on the copier glass due to odd size or poor condition. Rebind, clip, or staple originals and copies.

Grade F: Originals that are small; can fit more than one document on the copier glass at one time (i.e. checks or receipts). Rebind, clip, or staple originals and copies.
